

Prayers for Patience

The end of something is better than its beginning.

Patience is better than pride.

(Ecclesiastes 7:8) Heavenly Father, I know that you have a great plan and the end of what I am going through is better than the beginning. Give me patience over pride today to wait for the plans you have in store for me.

"A hot-tempered person stirs up conflict, but the one who is patient calms a quarrel." (Proverbs 15:18) God, give me the patience to pause when angered so not to stir up conflict, for your word tells me that the one who is patient calms the quarrel. Amen.

"Be still before the Lord and wait patiently for him; do not fret when people succeed in their ways when they carry out their wicked schemes." (Psalm 37:7) Heavenly Father still me today, for your word tells me to wait patiently and to not fret anyone or anything.
